2. LLA2004-0008 – FIRST TECH CREDIT UNION & OFFICE
(Request for continuance to August 26, 2004)

The proposed development includes design review of a 5,500 sq. ft. credit union and a 20,000 sq. ft. medical office building. A lot line adjustment is also proposed which moves the north property line between two tax lots farther south. This adjustment would place the proposed credit union building on a separate tax lot and the existing and proposed medical office buildings on another.
